

LED Profile P01

The P01 LED Profile is designed to be recessed into cabinetry, millwork and other applications. Its metal flange helps cover minor groove or cut imperfections for a clean finished appearance.

Core Features

- Flush mount (recessed)
- 2 metre (6.56ft) aluminum profile
- 2 metre opal diffuser
- 2 end caps
- 2 mounting clips

Specifications

Max Strip Width	12mm (7/16in)
Overall Width	24.5mm
Overall Depth	7mm (not including lens)
Lens Finish	Matte Opal

Length	2m (6.56ft)
Recessed Width	17.5mm
Profile Finish	Aluminum

Installation

Designed to be flush mounted into cabinetry or millwork by creating a groove for the profile.

Included in Package

- One 2 metre (6.56ft) P01 LED Profile
- One 2 metre (6.56ft) opal diffuser
- 2 grey end caps
- 2 clips for optional surface-mount installation (screws not included)
